

# isCB Student COUNCIL

**Boston, USA**

**9 July 2010**

*(preceding ISMB 2010)*

# SYMPOSIUM 2010

<http://symposium.iscbisc.org>

## Keynotes

**David Altshuler** *Broad Institute*  
**Gary Bader** *University of Toronto*  
**Larry Hunter** *University of Colorado*

## Speed dating

**Meet your colleagues and chat  
about your science!**

## Presentations

**Selected students will present  
their abstract**

*Developing the Next Generation  
of Computational Biologists*

## Submit by April 23rd

The ISCB Student Council Symposium is a forum for students and young researchers in the fields of Computational Biology and Bioinformatics. Participants will have the opportunity to present their work to an international audience, build a network within the community and develop important soft skills in an environment that fosters exchange of ideas and knowledge.

**Looking forward to reviewing your abstracts!**

**Thomas Abeel** *Chair, Ghent University, Belgium*  
*Broad Institute of MIT and Harvard, Cambridge, MA, USA*  
**Magali Michaut** *Co-chair, University of Toronto, Canada*
